Preschool Time Table.

This is our Preschool Time Table. Your child/children may be with us for 3hrs in the morning/afternoon, part time or full time.

Morning ECCE session starts at 9.00 and runs till 12.00
Afternoon ECCE session starts at 1.30 and runs till 4.30

We plan themes that can run for a week or two. The seasons and local festivals are our long term plans and we try to let the children's interest help us with our biweekly short term plans. Mostly we keep to this time table but some days it changes slightly depending on the children's interests or a birthday. We also have a preschool nature area so feel free to bring in some nature found on walks or from your garden, especially now we are entering into Autumn.

8.00 - 8.45: Breakfast

8.30: Move to Preschool

- * Welcome each child, talk with guardian if needed.
- * Encourage/support child to hang up coat.
- * Encourage/support child to place their lunch box and drink on the table.
- * Free play.
